

# GRANITE

SECURITY • SYSTEMS

## DSC Cheat Sheet

**ARMING IN STAY MODE:** With the green ready light on (all zones closed) press and hold STAY until it beeps. Motion Detectors will automatically be bypassed.

**ARMING IN AWAY MODE:** With the green ready light on (all zones closed) press and hold AWAY until it beeps. Entire system is armed.

**BYPASSING ZONES:** Press \* 1 then enter the zone to be bypassed (in 3 digit format ie. 001) followed by #.

**CHIME FEATURE:** To activate or deactivate the chime, press and hold CHIME until it beeps.

**EXIT BUTTON:** When the system is armed you can press and hold the EXIT button until it beeps. This will allow you to exit & re-enter the premises within a two minute period.

**INSTANT ARMING:** Press \* 9 followed by the Master Code. This arms the system in STAY mode but removes the delay on entry doors (not timer to disarm system).

**ALARM MEMORY:** Pressing \*3 will display the alarm memory during the last armed period. This memory will be cleared the next time the system is armed.

**FIRE ALARM:** If your system is equipped with smoke detectors and they go into alarm, press and hold RESET or press \* 7 2 to reset the smoke detectors back to a non-alarmed state.

**RESET SYSTEM TIME:** \* 6, Master Code, use > to scroll to Time and Date press \*, enter time in 24H format then appropriate Date
